The Blurb:

It is an article of faith that a man who acts [S](#) for himself has a fool for a client. Imagine what happens when two unremarkable men find themselves trapped in the court system battling for their lives.

What appears as a petty squabble over \$115 sets the scene for a fight where they must represent themselves over two hundred times in the Local Court to the High Court.

Our humble heroes strike back at a legal system gone crazy.

A funny and profoundly personal TRUE story.

Jacq's Review:

It's a crazy crazy story...

I can't even conceive of what these guys went through – I'm not big on Bio's – but read it.

You'll be shaking your head all the way through!
